MEMORANDUM FOR: Director of Training

SUBJECT: Commendations

25X1A9A

I appreciate very much the commendations from your office for Messrs. [REDACTED] on the contribution they made on the film, "Acquisition of Agents." I have passed them on to the individuals. I am glad this office was in a position to help out by releasing two members of the staff. I feel the effort was well worthwhile, as the film appears to me to be a valuable contribution to the Agency.
